At 7 Academy of Performing Arts we are proud to provide unrivalled tuition in dance and musical theatre whilst following our mission to 'impact our community by inspiring and celebrating individuality'.

Since 2016 we have worked tirelessly to create a team of like-minded and passionate individuals, each with a unique ability to nurture, motivate and educate our students. We are big believers in supporting our students from day one, opening their eyes to the possibilities and guiding them on their own personal journey.

Purpose of the Role

We are searching for an exceptional individual to join our dream team, strengthening our ability to teach life lessons through dance and musical theatre and make an impact in our community.

Our Academy is well known for being fast paced and continuing to evolve to ensure we meet the needs of our students and their families - therefore the right person must be energetic, enthusiastic and dedicated to going above and beyond.

"From a student's first day to their final performance, we guarantee that at 7 Academy of Performing Arts you are carefully guided every step of the way."

In this role you will:

- Inspire our students through your teaching on a weekly basis
- Prepare students for successful participation in exams and performance awards
- Follow our set curriculum / syllabus whilst also being able to prepare your own material when required
- Formally evaluate students on a bi-annual basis for their own self development and growth
- Regularly set targets and goals for our students to work towards and help them along the way

Additionally, we strongly value the development and education of our team therefore you will be required to attend and participate in our 'Continued Professional Development & Training Programme' which runs throughout the year.
